ACCESSIBILITY STATEMENT – NEWPORT COUNTY 2025/26

Newport County AFC is fully committed to ensuring that all supporters, visitors, and staff have equal access to our facilities, services, and matchday experiences. We are dedicated to providing an inclusive environment that meets the needs of people with disabilities and to making reasonable adjustments wherever required to remove barriers to participation. We regularly review our stadium facilities, ticketing processes, and services to ensure compliance with the Equality Act 2010 and to reflect best practice in accessibility. Our approach is proactive and inclusive, recognising the diverse needs of our supporters.

Matchday Accessibility

- Designated wheelchair and ambulatory seating areas are available for both home and away supporters at Rodney Parade.
- Personal assistants are admitted free of charge when accompanying a supporter whose disability requires additional assistance.
- Assistance dogs are welcome in the stadium, with welfare arrangements made in advance.
- Accessible parking spaces are available for home and away supporters with valid Blue Badges and permits.

Ticketing

Our ticketing policy is non-discriminatory and ensures equal treatment for all disability groups. Supporters may be required to provide eligibility evidence such as Disability Living Allowance (DLA), Personal Independence Payment (PIP), or medical documentation.

Accessible Information

We aim to make information available in accessible formats wherever possible. The official club website complies with accessibility standards and is regularly reviewed to ensure inclusivity for all users.

Partnerships and Support

The Club works closely with Level Playing Field and the EFL to promote best practices in accessibility across football.
